

and we will be left naked waiting for God to clothe us.

That is because God has since changed his instructions. He dispensed new instructions later to the Apostle Paul.

"...if any would not work, neither should he eat [...or wear new clothes]." – [2 Thess 3:10](#)

When we are able to rightly divide the Bible we can discern which words of God are for our participation. At that point our understanding of God's words grows from a general "whatever you say, Lord" faith, to a "Oh, that's what you said" faith.

How Faith Grows

"Lord, Increase our faith." – [Luke 17:5](#)

Many people can sympathize with the request of the disciples in [Luke 17:5](#).

They desire a bigger faith, a better faith, a stronger faith, but they don't know where it comes from, or how it grows. If faith is what pleases God, they want more ([Heb 11:6](#)).

They try to exercise their faith to make it stronger, but how can you exercise something that is not a work ([Rom 4:5](#))?

How Faith Grows

"Lord, Increase our faith." – [Luke 17:5](#)

They try to exercise their faith to make it stronger, but how can you exercise something that is not a work ([Rom 4:5](#))?

No matter how much they will it, they have no way of knowing or measuring exactly how much faith they have.

Since we walk by faith and not by sight, some will close their eyes and walk through life like blind men trusting God, waiting on faith to fall on them like rain.

How does faith grow strong? From where does faith come? Jesus said the disciples only needed faith as a mustard seed ([Luke 17:6](#)). That doesn't seem like a lot.

The truth is that Biblical faith comes from one place, hearing God's word.

"So then faith cometh by hearing, and hearing by the word of God." – [Rom 10:17](#)

Faith is the result of hearing God's word, understanding it, and believing it.

The people in the Bible who are said to

Faith is the result of hearing God's word, understanding it, and believing it.

The people in the Bible who are said to

have "little faith" do not know or believe in the words of God. Jesus told Peter to walk on the water, but Peter doubted ([Mat 14:31](#)).

However, the words of God in our Bible contain many different instructions and for it is hard to understand for many people. As a result their faith remains weak and stagnant.

In order for faith to grow strong we must know how to apply God's words to us.

Jesus said to his disciples that they would have little faith if they worked for new clothes.

"Wherefore, if God so clothe the grass of the field, which to day is, and to morrow is cast into the oven, shall he not much more clothe you, O ye of little faith?" – [Mat 6:30](#)

The truth is if we don't work for new clothes today, our old ones will fade away
